WHAT IS THE ERITH TOWN SQUAD?

A new and exciting programme is to provide Girls aged between 12-14, a fun and engaging recreational offer that allows them to develop themselves as much as their football skills in a safe, inclusive environment.

THE PURPOSE

THE ERITH TOWN SQUAD has been specifically designed to give young people the freedom to develop by being a valued member of a team and engaging in fun and flexible football activity. We hope that participation in this programme will support young girls to cultivate a positive connection to physical activity and football, developing healthy habits for their futures and developing themselves as competent and confident young leaders and contributors to our community.

NEXT STEPS

With the Women's 2022 Euros on the horizon, we are looking for a dynamic sponsor to help provide full engagement.
