WELCOME - THREE BRIDGES

Good afternoon and welcome to the Stanmore Stadium for today's Isthmian South East game versus Three Bridges. I'd like to welcome, as always, the committee, board members, players and staff of our opposition to Erith Town, and we sincerely hope you enjoy your time with us today.

Today's opponents are going to be our toughest test this season yet. Three Bridges have shown everyone that they are a very strong side, and they're currently riding high at the top of the league, so we're all expecting a really tough opponent. They have some truly excellent players and score lots of goals so we will have to be on our game from the get-go.

As things stand we currently sit just the one place outside the relegation zone, and it goes without saying that we need to start winning our home games in order to ease the pressure a little bit. Watching the team so far, I actually think we're not that far away from being a decent mid-table squad, but for a couple of different decisions and little luck we could be a few places higher, but we do need to start getting some results and maybe today will be the first one - it has to start sometime, so why not now?

Tuesday night saw exit the Kent Senior Cup, going out 3-1 to a young but very high quality Chatham Town side. While it was a blow to lose, it won't define our season and I'm hoping we

can bounce back with that much needed win today.

Looking through this week's programme, once again you'll see that we have focus on youth, with the Player Profile being Under 10 Red player James Parry, and a look at the whole Under 10 Red team who are currently going really well along the Dockers' Pathway into the first team.

We've always encouraged players from every age group to show the absolute highest ambition for themselves, and this is another young crop that are showing that ambition by the bucket load.

We always say that the club takes immense pride in the work done by the Youth & Community group, and this Under 10 Red side are another example of the excellent work being done at every youth level across the club - something every Dockers fan can be exceptionally proud of.

Enjoy today's game, and let's hear you roar the boys on so we can get a result over the line.

Cheers!

Boyley

HISTORY - THREE BRIDGES FC

Three Bridges Football Club, affectionately known as "The Bridges," has a rich and storied history that dates back to its founding in 1901. The club was established in the small village of Three Bridges, which is now a part of the town of Crawley in West Sussex. Over the years, the club has grown from humble beginnings to become a respected name in non-league football.

In the early years, Three Bridges FC played in local leagues and quickly gained a reputation for their competitive spirit and community involvement. The club's home ground, Jubilee Field, has been a central hub for local football enthusiasts and has seen numerous memorable matches and events.

The post-war period marked a significant era of growth for the club. In the 1950s and 1960s, Three Bridges FC enjoyed considerable success in regional competitions, which helped to elevate their status within the football community. The club's commitment to nurturing local talent and promoting youth development has been a cornerstone of their philosophy.

The 1990s brought about a new chapter for Three Bridges FC as they made their mark in the Sussex County League. Their consistent performances and dedication to the sport earned them promotion to higher divisions, and they continued to build on their legacy of excellence.

In recent years, Three Bridges FC has continued to thrive, competing in the Isthmian League and maintaining their reputation as a formidable opponent. The club's passionate supporters, known for their unwavering loyalty, have played a crucial role in the team's success and have created a vibrant and inclusive atmosphere at Jubilee Field.

Three Bridges FC remains committed to its core values of sportsmanship, community engagement, and the development of young players. As the club looks to the future, they aim to build on their proud history and continue to inspire the next generation of footballers.

Notable Achievements and Trophies

Three Bridges FC has a proud history of accomplishments and has secured several notable trophies over the years. Here are some of the key highlights:

Three Bridges FC has had its fair share of memorable matches that have left an indelible mark on the club's history. Here are some of the standout moments:

- **1981/82 FA Vase Run:** The club reached the last 16 of the FA Vase for the first time, before narrowly losing to Molesey 1-2.
- **1982/83 Sussex RUR Charity Cup Final:** Three Bridges FC won the Sussex

RUR Charity Cup for the first time, defeating Hastings Town 3-2 in a memorable final.

- **2011/12 Sussex County Football League Championship Decider:** The final day of the 2011/12 season saw Three Bridges FC beat Championship rivals Rye United 1-0 at home, securing the Sussex County Football League title. This match was part of a tremendous run where the club lost only one of the last 29 games.
- **2011/12 FA Vase Run:** In the same season, the club had a superb run in the FA Vase, reaching the last 32 before losing in a penalty shootout to Derbyshire side, Gresley FC.
- **2014/15 Ryman Isthmian Football League South Division Survival:** After being 10 points adrift at the bottom of the table in mid-February, Three Bridges FC went on a remarkable run of 11 matches, producing 7 victories, 2 draws, and just 2 defeats. This run earned them Team of the Month Awards in both March and April and ensured their survival in the league.

These achievements and memorable matches highlight the resilience, determination, and spirit of Three Bridges FC, making them unforgettable moments in the club's history.

By Jon Couch

THE week leading up to Halloween proved to be something of a horror show for Non-League bosses everywhere as the managerial merry-go-round clicked into overdrive. As a result, it caused endless nightmares for us at NLP Towers as the news pages had to be constantly updated and, in the case of John Coleman's Friday afternoon arrival at Aldershot Town, ripped up and rewritten completely.

We were perhaps given a sign of what was to come when Kettering Town announced the departure of Simon Hollyhead just minutes after their 4-0 defeat at Redditch United on Saturday with the former assistant at Champions League side Malmö having resigned from his Poppies' post at two days previous.

It's fair to say it wasn't a good week for Isthmian League bosses with a high percentage of departures coming in and around the M25. Club legend Drew Cooney left East Grinstead Town after four years in charge. Cooney made over 500 appearances for the Wasps before taking over the hotseat in 2021. He quit after picking up just one win from his opening 11 games in charge of the Isthmian South East club.

League rivals Hastings United also made a change with former Whitehawk boss David Altendorff replacing Lee Carey in the U's hotseat, while former England manager Peter Taylor stood down at Isthmian North side Canvey Island after five months in charge following the Gulls' midweek defeat to Benfleet in the Essex Senior Cup.

Tilbury too have new joint-bosses with George Christou and Jack Toghli coming in for Marc Harrison and Liam Wallace, who left the Dockers by mutual consent. It was all change also at Lewes after it was announced that popular former boss Craig Nelson had returned to the Dripping Pan hotseat after six months away, replacing Bradley Pritchard. Nelson steered the Rooks to their best league start in over a decade last season before being snapped up by Tonbridge Angels.

There's no busier owner in English football right now than Bracknell Town's Kayne Steinborn-Busse. He is looking for his FIFTH manager in the space of just 17 league games after dispensing with former Wealdstone and Notts County assistant Matt Saunders. Saunders had just one point and an FA Cup win over Tadley

Calleva to show for his seven games in charge of the Robins – a tenure which will be remembered for releasing the club's two longest serving players after questioning the commitment of the senior members of the squad.

Perhaps the highest profile departure last week was that of Altrincham chief Phil Parkinson after eight years at Moss Lane. The 44-year-old led the Robins to two promotions in three seasons, from the NPL Premier to the National League, and then a play-off campaign in 2023-24, where they finished fourth before falling to Bromley in the semi-finals. However, after losing a plethora of key players in the summer, including the likes of Regan Linney, Justin Amaluzor and Alex Newby, the Robins have struggled to find the same consistency this season and Parkinson leaves after a seven-match unbeaten league run.

Altrincham will now be looking to appoint a new man in charge, much like league rivals Aldershot Town, who brought in John Coleman to replace Tommy Widdrington, who left a fortnight ago, and has since rejoined Eastbourne Borough. Harsh perhaps on Alan Dowson, who took interim charge of team affairs for Saturday's trip to Scunthorpe and told The NLP of his desire to make the most of his opportunity in the Shots hotseat. Dowson, the former Woking, Hampton & Richmond Borough and Kingstonian boss, has now left the EBB Stadium and looking for his next challenge.

At Step 5, Richard Brodie left Glossop North End after two years in charge of North West Counties League side and is now back playing with former club Skelmersdale United at the age of 38.

Dan Bailey quit as player/manager and coach of Combined Counties Premier North strugglers Virginia Water, Mark Scott resigned from South West Peninsula Premier East side Axminster Town after a 12th successive defeat and Clay Cross Town's management team of Ian Cotton, his assistant Ian Birtley and player/coach Kieran Coupe joined United Counties Premier North rivals AFC Mansfield.

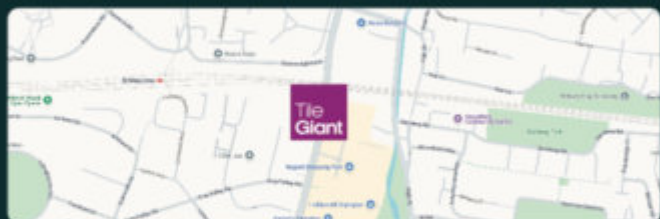

Aaannnnnd breathe. Until the next instalment anyway.

Happy Halloween everyone.

Levi Coates

Our outstanding goalkeeper, is known for his cat-like reflexes and incredible shot-stopping ability. Time and again, he pulls off near-impossible saves that keep us in the game when it matters most. His consistency and composure earned him the Manager's Player of the Year award last season.

Teddy Fitness

Rock-solid defender who dominates at the back with his strength and composure. Rarely beaten in a 50/50, he's fearless in every tackle and relishes physical battles. Always reliable, he consistently cleans up danger and keeps the defense organized.

Gurnoor Sanghera

New signing to bolster the back line and has settled in remarkably quickly. His pace and composure make him unbeatable in one-on-one situations, providing real defensive stability. To top it off, he made an instant impact by scoring on his debut.

Mohamed Abdilahi

The engine in midfield known for his relentless work rate. His exceptional footwork allows him to glide past opponents and create space under pressure. Combining technical skill with physical strength, he dominates both offensively and defensively, setting the tempo for his team.

Bobby Carty

Dynamic winger known for his blistering pace and ability to beat defenders with ease. Bobby has a wicked shot that makes him a constant around the box. His combination of speed, skill, and finishing power makes him a game-changer on the flanks.

James Parry

Reliable and adaptable team player who consistently delivers strong performances in any position. His dependable nature makes him a trusted choice across the field, no matter the role.

Always willing to step up where needed, James brings a positive attitude and commitment to every game.

Charlie Carey

Another new signing with excellent

technical ability and impressive skill on the ball. Versatile and dynamic, he can operate effectively anywhere across the midfield or as a striker. With a sharp eye for goal, he brings bags of creativity and a real attacking threat to the team.

Alfie Anslow

Last season's top goalscorer, known for his incredible finishing ability and composure in front of goal. He can find the back of the net from anywhere on the pitch, whether it's a close range tap in or a long range rocket from the halfway line. A constant threat to any defence, Alfie's presence guarantees goals and excitement.
