WELCOME - MARGATE

Good afternoon and once again a warm welcome to everyone to the Stanmore Stadium for today's Isthmian League South East game versus Margate F.C. As usual I'd like to welcome the committee, board members, staff, management and players to Erith Town and I sincerely hope you enjoy your time with us today.

Firstly, I want to welcome to today's game the Brampton Primary School football team who won the National Smiths Crisps Trophy back in 1989, along with headmaster, Mr Roach, and PE teacher, Mr Burrell, as my honoured guests today. This will be the first time that they have all been together since leaving primary school over 35 years ago, so it'll be a great time to reminisce over a pint and chat about football while watching the game. Can't wait!

Since my last programme notes the team has been in really good form; a tremendous 1-0 home win against league-leaders Three Bridges went totally against the form book but was more than deserved after a brilliant and determined display against a top side.

This was followed by a trip to Ashford United the following Tuesday. The game ended all square at 3-3 after a very late equaliser by Ashford but it was a result that flattered the home side and The Dockers can count themselves very unfortunate not to be going home with all three points in the bag.

Another away trip followed hot on the heels of that one with a short trip to

Sevenoaks on the Saturday, a game that saw us pick up another win, this time a decent 2-1 scoreline with another outstanding performance from the team.

The games come thick and fast at this time of year though and it was a tough trip to AFC Whyteleafe - another team that are having an outstanding season - that followed. Another high-scoring game definitely entertained the crowds but it resulted in another disappointing 3-3 draw after once again conceding a late, late equaliser, but all in all, you have to say it's a really good point on the road against a tough opposition, and more importantly, overall performances and results are picking up and heading in the right direction again.

This afternoon we face Margate, and we know that it will be another very tough test. Margate are a massive club at this level, and we should rightfully offer them the utmost respect, but I'm confident that we can take our recent upturn in form into today's game and hopefully notch another home win.

I hope everyone enjoys today's game.

HISTORY - MARGATE

The club was founded in 1896 and joined the Southern Football League in 1933.

After a spell in the Kent League after World War II the team returned to the Southern League in 1959 and remained there until 2001 when they gained promotion to the Football Conference, the highest level of English non-league football. Their stay at this level saw the team forced to ground share with other clubs due to drawn-out and problematic redevelopment work at their Hartsdown Park stadium, and during the three years spent away from their own ground they were expelled from the Conference National and subsequently relegated to the Isthmian League.

After the Second World War the Gate continued to play in the Kent League under new manager Charlie Walker, who led the team to two Kent League championships but was then controversially sacked. The team slumped during a succession of rapid managerial changes which only ended in 1950 when Almer Hall was appointed manager, a post he was to hold for the next twenty years. Under Hall the team won a host of local cup honours and reached the rounds proper of the FA Cup on several occasions, but never managed to match this success in league competition.

In 1959–60 Margate returned to the Southern League after the Kent League folded, and in 1962–63 won the Division One championship and with it promotion to the Premier Division. Two years later the club turned full-time professional but this policy proved financially untenable when the team were relegated back to Division One in 1965–66. Nonetheless, they won promotion at the first attempt and returned to the Premier Division in 1967.

During the 1970s Margate endured severe financial problems and a series of mediocre league seasons but took part in two famous FA Cup ties. In 1971 the Gate lost 11–0 to Bournemouth, with Ted MacDougall scoring a cup record nine goals. Then, a year later, Margate beat Swansea City and Walton & Hershaw to set up a third round tie against First Division Tottenham Hotspur, then UEFA Cup holders. A record crowd of over 14,000 packed into Hartsdown Park for a match which

Margate lost 6–0.

In 1996, the club's centenary year, the club appointed Chris Kinnear as manager. In 1997–98 he took the team to the first round proper of the FA Cup where they played Fulham in a home tie that drew a crowd of 5,100. Although the Gate took the lead, the Cottagers eventually won 2–1. The following season saw the club finally win promotion to the Southern League Premier Division, albeit only after an appeal was lodged against the league's initial refusal to allow the team promotion due to the club failing to carry out necessary ground improvements in time. The Premier Division championship followed in the 2000–01 season, and with it promotion to the Football Conference.

The 2001–02 season was Gate's first ever season of Conference football and they finished the season in eighth place. In the 2002–03 season the team began ground sharing at Dover Athletics' Crabble while redevelopment work took place at Hartsdown Park, but various problems stalled the planned redevelopment. On the pitch, Margate enjoyed more success in the FA Cup when, after defeating Leyton Orient in the first round, they were drawn at home to Cardiff City in the second round, but lost 3–0 at Crabble. The following season, despite finishing sixteenth, the Gate were forcibly relegated one division due to the ongoing delays and problems with the redevelopment plans for Hartsdown Park.

Margate spent the 2004–05 season in the Conference South, now ground sharing at Ashford Town. Amidst ongoing issues with the redevelopment work, which at one point made it seem very likely that the club would fold completely, Margate were again relegated to the Isthmian League Premier Division.

After 10 years in the Ryman Premier Division Margate won promotion back to the Vanarama National League South after beating Hendon in the play-off final at the Earlsmead Stadium. Ryan Moss scored the winning goal as Terry Brown's side celebrated promotion back to second tier of Non-league Football.

Margate's first season back in the National

League South was a rollercoaster ride with survival secured on the final day of the season despite a 2-0 defeat to Bath City. A run of 11 defeats from their final 12 games left Margate needing results elsewhere to keep them in the division and Weston Super-Mare's 1-1 draw away at Havant & Waterlooville meant Havant were relegated.

Since the 2017-2018 season Margate have been in the Isthmian Premier League, where under new ownership the Club have installed a state of the art 3G Pitch, plans are in place to develop the stadium further and build a hotel on site. The Club narrowly missed out on the play offs in the 2017-18 season and after the departure of manager Steve Watt the Club went through a period of transition and were able to avoid relegation in the 2018-2019 season thanks largely to the presence of Jay Saunders as temporary manager. At the start of the 2019-2020 campaign fan favourite Jay became our permanent manager and is still at the helm for season 2021/22, after season 2020/21 was made null and void.

The 2021/22 saw Margate enjoy their most successful season in a while as they finished 8th in the Isthmian Premier Division, and reached the Velocity Trophy final for the first time in 24 years. The final ended in a 4-0 defeat to Horsham, however the Blues also reached the Quarter-final of the Kent Senior Cup, where they were beaten by eventual winners Dartford FC. At the end of the campaign, Manager Jay Saunders was approached by National League South side Tonbridge Angels, and he decided on a new

chapter with them and left Margate in May 2022 to take up the position as Manager at the Longmead Stadium.

The Club moved quickly to install a new Manager as Andy Drury was appointed on the same day as Saunders departed. A former Ipswich, Luton Town and Stevenage player, Drury possesses extremely good knowledge of the game. He had spent just a handful of games in charge at Whitstable Town, however this was his first full season in Management.

Sadly, after just six months in the job, the Blues dismissed Drury and Reece Prestedge and Ben Greenhalgh were installed as interim joint managers on 26th December 2022. Prestedge and Greenhalgh were handed the job on a permanent basis on Monday 10th April 2023 after securing the Blues survival in the Isthmian Premier Division. Margate ended the season with some celebration after they lifted the Kent Senior Cup in May at Gillingham after beating Chatham Town 5-4 on penalties after a 1-1 draw in 90 minutes. It was the first time the Blues lifted the trophy since 2005.

After a run of bad results Reece was relieved of his duties in early December and Margate brought in the vastly experienced Mark Stimson to replace him. Unfortunately Mark couldn't save us from being relegated to step 4 and at the end of the season was also relieved of his duties. The Board decided to appoint Ben Greenhalgh as player manager who managed to get us into the playoffs in his first season before losing to Burgess Hill Town who went on to win them.

By Jon Couch

For managers, it's an extra three minutes to deliver the finishing touches to your pre-match team talk. For fans, it's a chance to grab a quick coffee or spend in the warmth of the clubhouse bar.

Three minutes. One hundred and eighty seconds. It doesn't sound a lot, but it could make all the difference to the National League's 3UP campaign as it continues to ramp up pressure on the EFL to finally put a third promotion spot into League Two on the agenda.

This afternoon, over 200 clubs from Steps 1 to 4 will kick-off at 3.03pm in 'A Day of Action' to raise awareness on the issue with the Premier League and a large percentage of the EFL away on international duty. National League chiefs and clubs have been pushing for an extra promotion place for a number of years to align with the rest of the English pyramid.

But while the EFL acknowledge it should be up for debate, the matter is yet to be officially brought to the table despite chairman Rick Parry's promise to "look downwards as well as upwards".

A recent Football Supporters' Association poll revealed 93 per cent of all supporters support the move, while 83 per cent of fans of EFL clubs are so in favour. But Football League chiefs say any deal would have to form part of any funding agreement with the Premier League so with the two bodies at a stalemate amid the wait for the incoming Independent Football Regulator, National League chiefs have decided to up the stakes amid fears it could be years before EFL clubs vote on any changes.

National League vice-chairman and chair of the 3UP steering committee Steve Thompson MBE has been a key part of the push and he wants their message heard. He told The NLP last week: "The games kicking off at 3.03pm is really going to shine a spotlight on it.

"We've got MPs from all over the country going to these games.

"It's not just the 12 National League games. While National League North and South aren't playing league games because it's FA Trophy, the Trident Leagues are also supporting it. That's fantastic.

"The whole football family at Non-League level sees how important it is."

So important that, in recent months, clubs and the league have been engaging with their local MPs with more than 100 – and members of the London Assembly – pledging their support. And last week Sir Keir Starmer "commended" 3UP at Prime Minister's Questions with over 60 MP's actively supporting the campaign.

The Department for Digital, Culture, Media and Sport (DCMS) has formally "recognised" that 3UP's ambitions tie-in with the football regulator's objectives with a Backbench Business Debate planned later this month, as well as two supportive Early Day Motions.

"I was blown away," Thompson said of the political support received.

"So many MPs are season ticket holders at their local club. They realise how much their clubs do in their community. They realise how much the owners and chairs of those clubs do in the community.

"The fear is if you have this bottleneck and owners don't think there is a realistic chance of being promoted they will walk away. You need that competitiveness. It creates a healthy eco-system in football and that's what we face losing.

"The EFL say they've got to look down as well as up. Well, look down a bit more."

History shows there is no competitive imbalance between the National League and League Two. No club has ever been relegated back into Non-League the season after they won promotion while Luton Town went through to the Premier League and others, including Yeovil Town, Doncaster, Burton Albion and Wrexham, have reached the Championship.

"There's over 30 clubs in the EFL that have been in the National League at some stage or another," Thompson added.

"There's Wrexham now in the Championship. There are 19 League Two clubs that have been in National League. Half of the National League have been in the EFL.

"There's nothing to fear but there is this bottleneck."

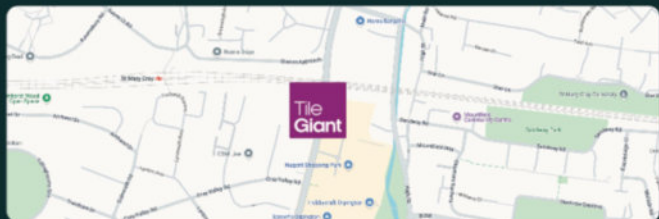

This afternoon, fans from clubs up and down the country will be involved both on the terraces and via social media making their voices heard.

For 180 seconds at least the floor is theirs. That's got to be worth raising a glass to.

PATHWAYS - FOCUS ON UNDER 12 RED

Alex Walicki

Our No.1 Goalkeeper, Alex is a top goalkeeper, making shot stopping look easy. So much so, he has a reputation for saving penalties. Last season he must have saved about 75% of the penalties he has faced.

Simba Gunda

Versatile Defender and Midfielder, Simba came through the Erith Lions and Lionesses Scheme. He loves to attack, has pace, strength and loves to go on overlapping runs and get crosses into the box.

Harley Hook

Nephew of a certain Harry Taylor, Harley has started his Erith Career early and has such quick feet. Harley can use both feet and is gaining confidence each game, already scoring a superb goal in first League match.

Oluwatimilehin Oyebo (Timi)

Powerful defender, loves to out muscle attackers, but Timi has two good feet and is a ball playing defender. He loves setting up phases of play and transitions, and Timi has had a great start since joining Erith U12s.

Charlie Jensen

Our Defender Charlie loves to defend and attack the ball. He is a good ball playing defender and a good organiser on the pitch. A super talented player who can use both feet.

Freddie Mullis

Such a talented boy, he started out being the No.1 Goalkeeper but has since become the backup keeper and has played in pretty much every position. Freddie always shines, he's such a versatile and talented boy and a pitbull of a Defender/Midfielder.

Harry Harlin

What a talent this boy is. I don't think there is anything this kid can't do, he has quick feet, some silky skills and has some shot on him, scoring goals from distance for fun. He always leaves absolutely

everything on the football pitch.

Dylan O'Boyle

Since Dylan joined the U12, his energy in midfield is second to none, and he is fast becoming a real leader on the pitch. Dylan is a team player, loves to pass and move and so reliable - always an 8 out of 10 - watch out for this kid, such a talented footballer.

Giovanni Mitchell

Our Striker playing the number 9 role, has some real power and ability. His nickname is 'Mr Cool' as he has ice in his veins and loves to terrify defences, always at the top of the scoring charts.

Casey McKenna

Attacker, has a sweet left foot, can play on the wing, in a number 10 and has a eye for goal. Also has a great range of passing, Casey is always in double figures for scoring goals and wears his heart on his sleeve.

Elliot Jackson

Our new Winger/Striker has a real turn of pace and can ghost past defenders. Has a real love for scoring goals and again, a

super talented left footed player in the U12 ranks.

Ben Botros

Our Captain, Ben, is a real old fashioned Striker who scores goals for fun. He's been top goalscorer and Golden Boot winner in the past, but Ben is a team player, just wanting the team to win and is so unselfish and a great leader/captain.

Marni John

Has recently joined the Millwall Girls Academy and is some player. Marni wants to play in the Women's Super League in the future and keep's the boys on their toes, what a player and we wish Marni all the best!

Frederick Krzywon

The 'Medway Messi', Frederick has silky skills and has a knack for arriving late in the box, always looking to score goals. Has really impressed since joining us in the summer, Frederick I'm sure will go from strength to strength.
