WELCOME - SOUTHALL FC

Good afternoon and welcome to the Stanmore Stadium for this afternoon's FA Cup tie versus our visitors, Southall FC. As usual, I'd like to extend a very warm welcome their board members, committee, management, players and staff to the Stanmore Stadium and we sincerely hope you enjoy your visit here today - but not too much, eh...

On Tuesday evening just gone, we played hosts to Isthmian South East newcomers, AFC Whyteleafe. We started the game well and had a couple of good chances early on but unfortunately couldn't make them count. The visitors then made short work of a mistake, instantly capitalising on it to see them go in a goal ahead at the break.

The second half was more of the same. We changed things around and started to get a much better grip of the game, but another little mistake led to a second goal for the visitors who held on to eventually seal the victory and leave SE28 with all three points.

It has to be said that, on balance, AFC Whyteleafe were the better side overall. I thought they dominated the ball throughout and totally deserved their win, and more a than few sides will fall victim to their passing and movement over the course of the

season. We'll know Woody's men will be better prepared when we next meet them, and hopefully we can turn that result around.

Anyway, we need to dust ourselves off and go again, and there's no better way to do that than with home tie in the oldest cup competition in the world - the FA Cup. We're under no illusion that today's game will be easy, Southall are a storied club with a decent history in cup competitions, but hopefully we can perform better than we did on Tuesday night and give our supporters something to cheer about today.

It would be great for our season if the club could have a decent FA Cup run, so - like we know you always do - let's all get behind the team today, be that twelfth man and make sure we're in the hat for the next round.

I hope everyone enjoys themselves today and I hope we get the game, and the result, that we all want this afternoon.

Cheers!

Boyley

HISTORY - SOUTHALL FC

Southall Football Club is one of the oldest clubs in the South East of England having been founded in March 1871, their first match being a 1-0 defeat against local neighbours Uxbridge played at Southall Park on October 21st 1871. Southall quickly established themselves as a major club locally and entered the FA Cup in the 3rd year of the competition. Uxbridge remained their main local rivals during the first few decades since the founding of both clubs in 1871.

Southall joined the prestigious Southern League for the 1896-97 season, during which time they regularly played the likes of Brentford, Fulham, Watford, Brighton & Hove Albion and Wycombe Wanderers. Southall used several grounds in the town before finally settling in at their Western Road ground in 1906, after merging with Southall Athletic FC. Western Road remained their home until the early 1990's.

The most successful period for the club was between the 1920's up to the 1960's, when crowds numbering in the thousands regularly attended, especially for games against local rivals such as Hayes, Hounslow and Uxbridge and the club produced several Amateur Internationals and players that went on to join professional clubs during this period. For the big away games and important cup ties away from home coaches and trains were often chartered for the locals to follow the club's exploits.

In 1925 Southall reached the Final of the FA Amateur Cup, when they narrowly lost to Clapton 2-1 at Millwall FC in front of over 25,000 spectators and won the Athenian League title in 1926-27. Another momentous season occurred in 1935-36 when Southall recorded 17 consecutive cup victories in various competitions.

During this season they became the first non-league club to start in the FA Cup Extra Preliminary Round and reach the 3rd Round Proper before finally losing to Third Division South professionals Watford in front of Western Road's record gate of 19,094. They also beat Third Division South club Swindon Town at home 3-1 in the FA Cup 1st Round. Their cup exploits that season meant that they had to play 23 matches between 1st April and 2nd May, which included 2 games on the same day twice!

The club were forced to take the decision to sell their ground to the local Council in 1940 due to financial pressures during World War II and became tenants of the Council for the rest of that ground's existence.

Southall have also played big Amateur Cup matches at Stamford Bridge, Highbury & Craven Cottage, all in front of over 20,000 fans. The club's last big cup day out was for the 1986 FA Vase Final at Wembley. In the 1970's and 1980's future full England Internationals Gordon Hill, Alan

Devonshire, and Les Ferdinand played for Southall in their younger days.

spot back un the Combined Counties Premier Division.

Western Road was the arguably finest non-league ground in the area, regularly being selected to host finals and semi-finals of local and county cup competitions. It had a fine clubhouse, which regularly held many social events and was hired out by local clubs and societies as well as regularly being a venue for local bands to play at.

The league reorganisation for the 2021-22 season saw Southall in the Premier Division North. An exciting season was played out with cup runs in the FA Vase (1/4 final), Middlesex Charity Cup (semi-final) and League Cup (finalists), but more importantly the league Runners up spot was secured, which heralded promotion back to the Isthmian League.

Unfortunately, Ealing Council closed Western Road in the early 1990's and eventually awarded the replacement site to a breakaway club, which folded soon after. Southall FC has been forced to share grounds since this time but are hopeful of finding a suitable site back in the town in the near future. Having been in the doldrums in terms of league performances since the late 1990's, Southall won the Spartan South Midlands League Division 1 title in 2017-18, their first championship for 91 years. This also earned them their 2nd promotion in the 2010's and secured a

A solid first season in the Isthmian South Central Division ended with a mid-table finish.

With negotiations with Ealing Council for a new ground back in the town were seemingly heading in the right direction but a lack of progress over the last few months has left fans and club officials somewhat frustrated. All involved with Southall FC are hopeful of better times ahead.

PATHWAYS

It's not just the First Team who have been in action throughout the summer, as several teams on the Dockers Pathway have taken to the field to represent the club in preseason competitions, and they have made us all incredibly proud!

Our new Erith Town management team for Under-9 squad hit the ground running and were victorious in a recent round-robin tournament, winning the final and taking home the trophy.

The Under-11 Black side recently took part in the KSI Tournament and were on fire! Topping the five-team group stage and winning a nervy penalty shoot-out in the quarterfinals, our young Dockers then made it to the final where

they were narrowly defeated against Cray Wanderers.

Our Under-11 JPL have had a trophy laden period, where they have won multiple trophies in their debut season for The Dockers. Lifting the cup at the Foots Cray and Faversham tournaments, this team will be lighting up the pitch in their Saturday campaign, and we can't wait to see how they get on!

Finally, the Under-12 team made it to the latter stages of the recent KSI tournament after an exciting group stage campaign and were narrowly defeated in the semi-final stage, before winning the 3rd/4th place play-off to take home the bronze medal. In all, a very successful period for our youth

teams at Selkent and JPL, which continues to show that the Dockers Pathway is the journey for young players to develop in the game.

Isthmian League Respect Statement

"The Isthmian Football League strongly supports the Football Association's statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct toward others, including but not limited to that based on an individual's sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities."
