WELCOME - SPORTING BENGAL UNITED

ood afternoon everyone and a huge thank you for joining us at the Stanmore Stadium for this afternoon's Emirates FA Cup Extra-Preliminary Round match versus Sporting Bengal. As usual we'd like to offer the warmest of welcomes to the committee, board members, players and staff of The Bengal Tigers to Erith Town - we sincerely hope you enjoy your time with us this afternoon.

First order of business is a personal thank you from myself, as I would like to thank everyone at The Dockers' for making me feel so extremely welcome since joining the club back at the start of May.

In particular I have to say I'm very grateful to Mark Deveney, the Club President, who has entrusted me with the running of the club, taking over what was his role and where, throughout his tenure, he has done such a fantastic job as Chairman/Owner.

Since coming on-board there has been an enormous amount of hard work taking place all around the ground with one of the primary focus points being our pitch. As everyone probably remembers all too well, the pitch last season started out okay but as the season progressed and the winter weather set in it became extremely poor, and that was

something we absolutely needed to address for this season.

As you can see today, the results of all of those volunteers hard work and attention over the pre-season are a playing surface that is nothing short of immaculate, and once again I would like to put on record my thanks to everyone who put in the long hours it took to make the pitch look so good.

Today's game, while not league game, marks the official start of the 2025/26 season and I've been looking forward to the season starting today for several weeks.

Games now mean something, and next weekend as the Isthmian League season begins, matches will come around thick and fast.

So for now, I'm really excited in my new role, I'm really excited to see the new team in action, and I'm really excited to see what the new season holds for us all. I know you're all going to bring the noise and let's make it our best ever!

Enjoy the game.

HISTORY - SPORTING BENGAL UTD

t all began with a football tour to Bangladesh in 1996 by a group of the best Bangladeshi players in London. There was a realisation that talent was being wasted with the divisions that existed and a solution was required to tackle these divisions. Sporting Bengal United FC was therefore established in 1996 to challenge the under-representation of Asians in football and to offer Bangladeshi and other young Asian people a chance to play football at a higher level.

Having brought together the best local Bangladeshi players, Sporting Bengal went on to win multiple UK Asian Championship titles and dominated the local leagues. It was time to explore the next level.

In only eight years, the team rose from amateur Sunday league football to semi-professional football. Having reached this level, the club broke down many barriers and was one of the first Asian teams to play in the famous FA Cup. Today, the club offers local young people of all backgrounds the opportunity to play semi-professional football.

Having initially competed in the Kent Senior League when securing semiprofessional status from 2003, Sporting Bengal moved to the Essex Senior Football League in the 2011-12 season finishing 11th in the league and reaching the FA Vase Third Round Proper in the first season. The club finished runners up in the Essex Senior League Cup in 2013-14.

Ex-Dagenham and Redbridge FC footballer, Anwar Uddin, was the most high-profile manager of the club and managed during the 2015-16 season. In 2016-17, the club reached the First Round Qualifying stage of the FA Cup for the first time after Imrul Gazi was appointed the manager. The 2018-19 season saw the team finish 8th in the Essex Senior League. After a couple Covid hit seasons, the club suffered massively and was relegated in the 2021-22 season.

However, under the management of Steve Clark, Sporting Bengal won promotion back to the Essex Senior League from the Thurlow Nunn League First Division South at the first attempt after winning a dramatic penalty shootout in the Playoff Final. The team also matched the club record run of reaching the FA Vase Third Round Proper.

After Playoff success in 2022-23 season, Sporting Bengal did the unthinkable again and reached the Playoff Final of the Essex Senior League Premier Division in the 2023-24 season after finishing in 5th position in the league with a club record 70 points. Sporting Bengal beat non-league giants Romford FC 3-1 in the Final to secure promotion to Step 4 football and the Isthmian Football League for the first time in the club's history.

CLUB - NEWS

Hatega Signs

Erith Town are delighted that 18-year-old winger Brandon Hatega has signed a contract for the forthcoming season. Brandon is yet another young player to develop through our league winning U18 and U23s sides of last season, confirming that with hard work and determination there is a genuine pathway from The Dockers youth sides to the first team.

Tommy Crush Youth Ambassador at Erith Town

Erith Town are proud to announce that a member of our KYL team, Frankie Wood, has taken on a youth ambassador role for the club to help with the work of the Tommy Crush foundation. The Tommy Crush foundation is an organisation that

helps young people improve their mental health if they are struggling in their lives and also assist those who are feeling vulnerable. Sporting Club Thamesmead Reserves manager, Marc Petters, who works as an ambassador for the Tommy Crush foundation said, "I am so pleased to have someone like Frankie who wants to get involved in the charity. It's also great for the younger players at the club to have someone they can relate to better than an adult, and we feel this is another great step forward for Erith Town and the Tommy Crush foundation to continue to grow links and help young people to improve their mental health."

Frankie followed this by saying, "I am very excited and looking forward to start in this new role as youth ambassador, and I can't wait to get going and help fellow youth players." On behalf of Erith Town, we'd like to say a huge thank you to Frankie for taking the role, and are very proud of this appointment.

rith Town Football Club can today announce that we have signed an agreement to manage the Crossways pitches at Sporting Club Thamesmead, starting from the 2025/26 season.

The agreement sees Erith Town having a home for all our youth teams, and being able to develop the space so that we can create a community football hub for all our youth players on the now famous Dockers' Pathway.

Speaking on this new agreement, Head of Youth & Community, Michael Avery said, "With the management of Crossways now being under Erith Town, this means all our youth teams can now train and play all their games at our home in Bayliss Avenue, right next to the first team stadium. The way this club has grown in the local community since our move to SE28 has been incredible, and now being able to have our Selkent, Junior Premier League and Kent Youth League teams developing their football here is something we are all very excited about. Hearing the passion and desire that Mark Deveney and Steve O'Boyle have to really develop young local talent and to see the work that both Adam Woodward and Marc Petters have put in to get young players into the reserves and first team

shows just how much Erith Town care about the community and the future of young players at our club. To have a facility like Crossways where all our young players can enhance their football is something that will see us build on our solid foundations in the borough over the last couple of years and really take every area of Erith Town to the next level. We would like to thank Peabody for their continued support, and we can't wait to work with them, and TDA Football Club who will continue to also use the Crossways pitches, to strengthen the great relationship we already have."

Speaking on behalf of Peabody Community Foundation, Head of Community Properties Fiona Hamilton says "Football is a great way to bring communities together, and this is what Erith Town does so well. We know how important it is for their youth teams to have a permanent home, and we're so pleased to support them with this. Being right next to the first team at our community facility, Sporting Club Thamesmead, is an added bonus for the players. It's fantastic to see the club grow and to provide quality spaces for them to do this. I wish all the teams the very best of luck for the new season."

Isthmian League Respect Statement

"The Ishmian Football League strongly supports the Football Association's statement that there should be a zero-tolerance approach against all forms of discrimination. Any inappropriate conduct toward others, including but not limited to that based on an individual's sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities. The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our
